130 aisles.

450 booths.

One location.

Virtual Pharmacy Trade Show

Pharmacy's Leading Product and Service Providers in One Convenient Location

The Virtual Pharmacy Trade Show is pharmacy's one-stop resource destination to research and connect with leading providers of products and services throughout every segment of pharmacy. Due to its accessibility, relevancy, and focus, more than 250,000 annual visitors depend on the Virtual Pharmacy Trade Show to conduct preliminary and advanced research on industry leaders. RXinsider currently manages five healthcare Virtual Trade Shows in the disciplines of pharmacy, informatics, therapy, continuing education, and general healthcare.

For information on advertising opportunities within the trade show, contact our sales team.
