

“You can handle so many different scenarios with just one system.”

– Chuck Gordon

“We have so many different environments, they could be a nightmare to manage. But QS/1 systems are so customizable, they can be easily tweaked for different situations. More important, QS/1 stays ahead of our needs. We know they will be ready with any regulatory changes in the industry well before we need them.”

Learn how QS/1 products and services can make your job easier. Call **866.752.2898** or visit **www.qs1.com/outpatient** today.
