Features & Options

In addition to helping our members save money, Innovatix strives to provide the best customer service in the industry through internal and external account managers. We also offer many value-added services including:

■ Innovatix Educational Institute

Each month, Innovatix offers free accredited Continuing Education (CE) opportunities. Members can take advantage of these learning sessions from the convenience of their own computers.

■ Government Affairs

Innovatix retains the services of a Washington, D.C.-based advocacy group dedicated to keeping members up-to-date on legislative news.

■ Clinical Experts

Innovatix staff includes clinical pharmacists and physician consultants who provide members with best practice studies, disease state management information, formulary management, and medication error reduction strategies.

■ Innovatix Specialty Pharmacy Management (ISPM)

In 2013, Innovatix launched a specialty pharmacy management program that offers customized, strategic solutions for retail pharmacies interested in serving specialty patients.

Key Business Partners

Innovatix is 50% owned by Premier, one of the nation's largest acute care group purchasing organizations. Our relationship with Premier allows our members access to discounted pricing that is typically only available to the nation's largest acute care institutions. In addition, we have negotiated exceptional pricing and advantageous purchasing terms directly with vendors and manufacturers in order to cater specifically to the markets we serve.
