

A pharmacy without RMS POS is like a bagel without the schmear.

This is the year to get the point-of-sale system of your dreams!

The point-of-sale system of your dreams will have a remarkable effect on your pharmacy.

More independent pharmacists choose RMS POS systems than any other – for enhanced profitability, efficiency and reliability.

Call us at 877-767-1060 to determine the best fit for your pharmacy!

Biometrics are now standard!

Biometric identification is now standard on Star-Plus and Star-Lite cash registers! Quicker, more secure employee log-in.

The Industry Leader in Pharmacy Point-of-Sale Innovation

Ultra-Lite: For the pharmacy looking for a simple, affordable FSA solution, this is just for you. Enables quick IAS compliance, so you can accept FSA cards immediately.

Star-Plus: If you're looking to improve your workflow and cash management, Star-Lite is the perfect choice. With integrated credit/debit and electronic signature capture, you'll gain powerful benefits at an affordable price.

Star-Lite: The most robust POS system in the pharmacy industry. Star-Plus can be sized for any pharmacy and gives you the added benefits of inventory management and electronic data interfaces to your wholesalers.

Star-Link Enterprise Solution: For pharmacies with multiple locations, Star-Link provides up-to-the-minute transaction and inventory data, as well as the ability to manage pricing and merchandising from the head office.
