What do these leading community pharmacies know that you should know?

All of these respected pharmacies run their retail operations with Activant Eagle®. It's the integrated business management software solution that streamlines and automates their most time consuming functions, and provides the power and flexibility to manage thousands of SKUs, order smarter, and market more effectively.

With our proven point-of-sale, loyalty and gift card programs, and seamless integration with their PMS, Activant helps them elevate their entire business.

Whether you're a single store or multi-store business, find out how Activant Eagle will help take your pharmacy to the next level. Visit www.activant.com/pharmacyretail. Or call **888.463.4700** today.
