CAM Pharmacy POS

Independent pharmacy retailers choose CAM's POS System over any other.

CAM maximizes on the technology needed to control inventory and streamline retail and pharmacy processes, while increasing your bottom line.

The POS software from CAM interfaces in real-time to pharmacy systems. Our software gathers signatures for pseudoephedrine, RX signature logs and the HIPAA Notice of Privacy Policy (NOPP) and integrates this with our POS system for easy reference, reporting, and auditing.

We offer a complete customer management program with frequent buyer, gift card, email campaigns, and more. CAM helps to make sure you keep your customers coming back to you!

Our software helps you:

- Easily manage POS functions
- Maintain inventory easily
- Automate purchase orders
- Upload wholesalers' database
- Create frequent shopper and gift card programs
- Integrate eCommerce
- Streamline credit card processing
- Automate printing of coupons
- Simplify rental contracts
- Manage Pseudoephedrine
- Capture electronic signatures for HIPAA, RX log and deliveries

We have the resources to provide exceptional products and services!

- Real-Time Support
- World Class Customer Service
- State-of-the-Art Tech Support
- Experienced Installation Team
- Expert Sales Consultants
