

Kirby Lester's KL60

Finally, a
compact robot
that fits your budget
and your pharmacy layout

The market's first **compact, fully-automated dispensing system** that doesn't take up too much floor space, inventory, time or cash. The KL60 fully manages your top 60 medications. That's just the right number for most pharmacies.

It's *exactly* what you would expect from Kirby Lester!

Get exactly what you need
with Kirby Lester's full lineup.

KL30 (left) and KL20

KirbyLester
exactly.
