PHARMAGARD 797 ES⁺

energy saver

Compounding Aseptic and Containment Isolators

Your Single Source Solution

PharmaGard™ Compounding Aseptic (CAI) and Containment (CACI) Isolators are your single source solution to ensure the accuracy and sterility of compounded pharmacy products by providing an ISO Class 5 environment through True Laminar Airflow.

Individual Sharps and Waste System

Redesigned sharps and waste system features separate pull down and out trays to slide on and off containers. Located underneath the work surface, the new system maximizes work production with separate access to containers.

Ergonomic Design Enhances Work Flow

Engineered with multiple users in mind, PharmaGard™ offers a wide range of work surface heights, oversized slanted oval glove ports, counter balance inter chamber vertical sliding door, sliding inter chamber tray, in work zone sharps and waste system, three IV bar locations, cool white lighting, and many options and accessories to increase your comfort.
