

Chained to your workstation? Free yourself with remarkable RNA apps.

RNA, the leader in innovative solutions for LTC facilities and pharmacies, is a game changer once again with real-time technology that affords you unequaled mobility and productivity. Because these apps work on the Apple® iPad®, iPod®, and iPhone®, you can work from any location. For more information on these must-have apps, or to schedule a free demonstration, please visit www.RNAhealth.com or call 800.762.9378.
