

Surprisingly Simple.

knowledgeable support.
one-on-one client care.
comprehensive.
Sophisticated Yet Simple.
Experiential Management Software

The Next Generation.

RXpreceptor represents the next generation of experiential management software for Colleges of Pharmacy. Supported by superior customer service, RXpreceptor allows for detailed student-preceptor-site management, rotation scheduling management, student-preceptor evaluation management, requirements tracking. In addition, RXpreceptor is customizable and scalable with over a dozen additional experiential management modules. Discover how RXpreceptor can help the Experiential Education Department of your pharmacy program.

RXinsider would like to thank all of our 2010 Colleges of Pharmacy users for their continued feedback and support.
