

# At the center of the pharmacy industry

## RPh on the Go is the premier source for top pharmacy talent

Founded by pharmacists, for pharmacists, RPh pioneered the concept of pharmacy staffing more than three decades ago. Today, we are the nation's largest, most respected source for qualified pharmacists.

- We have access to more than 200,000 established pharmacists in our database, more than most of our competitors combined
- We use our unrivaled knowledge of the pharmacy industry to match the right personnel to the right openings, quickly and efficiently
- We are a member of Adecco Group, the world's largest HR solutions company, which means unmatched stability and resources
