Contact us to order any strip & pouch packaging rolls.

Breaking all the barriers of past strip packagers.

Fully Automated Pouch Packaging & Adherence Solutions

Our modular solutions fit any size pharmacy or volume. You'll need less people to do the same work with higher accuracy and less on hand inventory.

Designed with the most versatile "hi-fidelity" pouch printing and the easiest-to-open "tear anywhere" pouches in the industry, the RxASP 1000™ has the highest speed in the industry, the lowest operating cost and the lowest consumables cost.

- **increase profitability**
- **improve productivity**
- **highest security & accuracy**
- **free up floor space**

Join the retail chains, clinics, independents, hospitals, military and institutional pharmacies that have chosen RxSafe. You deserve the very best.
