Pharmaceutical Inventory Experts:  
Precise, Efficient, and Confident

*The nation's leader in pharmaceutical inventory services providing inventory data that is accurate and dependable.*

**CAPITAL INVENTORY, INC.**

INFORMATION FOR INTELLIGENT PHARMACY MANAGEMENT

## Why Outsource Your Inventory Needs?

- Teams of experts conduct the inventory within a few hours.
- Teams conduct inventories daily-not annually.
- Minimal interruption to the pharmacy staff and operation.
- Teams work seamlessly around the pharmacy staff ensuring that the "snapshot" is a true representation of the inventory on-hand.
- Eliminate the need for overtime or coordination of staffing to accommodate inventory.
- Expert valuation and pricing of the inventory by an independent party.
- Competent inventory specialist that can work with Finance and/or external audit firm to validate the inventory.
- Collaboration with the Pharmacy to provide an accurate report in a timely manner.
