

SOME CALL THEM SUPERPOWERS. WE CALL THEM SOLUTIONS.

INTRODUCING A FULL SUITE OF TELEPHARMACY SERVICES BY CPS.

Maybe it's because we've caught and corrected more than 1300 medical errors in a year. Or because we've reduced costs by up to 45% while still improving care quality and reducing readmissions. Pharmacy clients across the country have thought of our Telepharmacy Services as superpowers—helping them extend their good work and save their hospitals money. CPS a trusted partner, delivering the best solutions possible to every client we serve.
