

CLEANROOMCONNECTION.COM

Your USP 800 Compliance Solution.

CLEANROOM CONNECTION specializes in supplying sterile compounding pharmacy and GMP pharmaceutical cleanrooms. A hand-picked selection of sterile clean room apparel, cleaning supplies and disinfectants, sterility testing products, non-shedding wipes, mops, and other USP-complaint cleanroom cleaning products are kept in stock at the guaranteed lowest pricing. Cleanroom Connection offers media fill tests kits, sterilization supplies, contact plates and other specialty items alongside all your cleanroom suits, wipes, and other consumables. Each customer receives a dedicated account manager as a main point of contact.
