

Maximize Your Savings.

Excel Rx can show you how.

Excel Rx can save you money on the goods and services you purchase every day. Because when you join Excel Rx you get access to pricing from multiple top-tier Group Purchasing Organizations that include GeriMed, MedAssets/Provista and RxOneShop.

And with our no-cost/no-obligation cost analysis, we'll show you if your current GPO is really working for you. But more than likely, we'll show you how much more you could be saving.
