

A Global Leader in Continuing Healthcare Education

LP3 Network was founded to provide the healthcare community with exceptional programs in continuing education. We offer live trainings with high facilitator:student ratio, state-of-the art facilities, and scheduling/location flexibility.

LP3 Network also offers eLearning, home studies, webinars, and instructional videos. Our online education platform will provide you with the ability to work from your office, the comfort of your own home, or while you are on the go!
