24-hour Self-Serve Pharmacy Kiosk

Now there's a great new way to offer better service to your customers. MedAvail's 24-hour self-service pharmacy kiosks promise fast, easy and convenient access to medications. All your customers have to do is present their prescription and the kiosk dispenses their medication — it's that simple. Video conferencing provides instant consultation with a live on-screen pharmacist. It's a safe, secure service accessible 24 hours, anytime, anywhere. That's good news for their health and your business.
