Omnicell VBM 200F Automation for Suremed Multimed Adherence Cards

The VBM 200F is the only small footprint automation that efficiently and accurately fills and checks SureMed by Omnicell multimed blister cards.

Increase Revenue. Decrease Expenses

The VBM 200F can produce 40+ filled, audited and sealed cards an hour freeing up pharmacy staff and reducing operating expenses.

Accuracy You Can Trust

The VBM 200F utilizes unparalleled and proven vision technology to verify every medication for each individual blister before the card is filled.

No matter what your adherence needs, only Omnicell® provides a full suite of scalable medication adherence solutions.

You have the vision. We have the solutions.
