

COMPOUNDING PHARMACY
INSPECTIONS ARE ON THE RISE.

CPS CAN BE THERE FASTER THAN A SPEEDING BULLET.

For pharmacies, the need for compliance has never been greater. CPS is here to help. We have extensive expertise, including USP <797> & <800> regulatory standards. We'll perform assessments, leverage our proprietary audit tools and give you a detailed evaluation along with a plan to optimize performance. Call on CPS and we'll leap into action.
