

Have you registered for one of CriticalPoint's Live Training Classes yet?

CriticalPoint offers a variety of live training classes to fit your needs and your schedule!

The CriticalPoint Sterile Compounding Boot Camp Live Training Series includes the following classes:

- Core Skills Training for Nonhazardous, Sterile to Sterile Compounding
- Best Practices for Handling Hazardous Drugs
- Best Practices for Environmental Monitoring
- Aseptic Technique Refresher (with "Core Skills" as part of the QP503A Certification)
- Best Practices for Nonsterile to Sterile Compounding

We are also excited to announce our latest live training offering: Best Practices for Field Certification of Sterile Compounding.
