Our Numbers Speak for Themselves.
Whether it’s a 2,000 or 250,000 card-per-month pharmacy, DOSIS has a consistent track record of...

- 10,000 Cards Per Month with capacity up 20,000 per unit
- 3x Faster than manual filling
- Integrates with any Pharmacy Management Software
- Customizes to YOUR workflow

Read the Case Study in RXinsider
“Upward of 40% of our cycle fill being produced by a single technician using the DOSIS machines is definitely significant when you are looking at the bottom line…”
