

PREPARE FOR USP 800

THE SAFER CHOICE FOR YOUR PHARMACY

NuAire's **PharmaGard™ Compounding Isolators** meet the USP 800 standard for Hazardous Drugs—Handling in Healthcare Settings.

PharmaGard™ Compounding Isolators

Each PharmaGard can assist with your documentation and surveillance programs as proposed by USP 800 by mounting external cameras to monitor compounding, cleaning and more. Specialty ergonomic items such as a monitor and keyboard/mouse arm can be installed to easily view protocols, document procedures, and more.
