

# The most *FUN*ctional breath mint ever.™

“Wow, it’s like  
sugar-free  
Pop Rocks®\*  
with zinc!”

breathROX are an awesome, nostalgic experience that are fun to share with friends!

Other breath mints are just perfumed candy. breathROX are FUNctional. Zinc helps **neutralize** gas. Popping helps **activate** saliva. Pieces help **scrub** mouth. Use science to blast bad breath with zinc!

## GREAT TOOL TO GROW YOUR PHARMACY

- Solution for medications that cause dry mouth
- Terrific for doctor detailing & patient gifts
- Fun vaccination distraction & reward
