## Company Background

### Uniweb is the Multi-Tool of the Fixturing Industry

Uniweb offers various retail, pharmacy, and millwork products for retailers looking to expand their departments without dramatically increasing space allocation. Uniweb RX systems hold more products in the same footprint over conventional systems, boosting profits!

Uniweb collaborates with designers and store personnel to craft visually appealing and practical pharmacies and consult spaces. They offer customizable surface options, materials, colors, and finishes that coordinate with the surrounding store interiors.

## Product Overview

### Uniweb Launched Their Quality Quick Workstation Kits Designed to Get Your Team Up and Running in Just One Day

Upgrade your workflow and storage easily and create flexible and efficient American-made workstations. The Quality Quick Workstation Kits are engineered to provide an organized and functional workspace that meets your needs. These systems offer ample storage above and below the workstation, keeping your team organized and supplies within reach. With swift and straightforward installation, you can optimize your productivity and enjoy a clutter-free environment in just one day.

The beauty of Uniweb's craftsmanship is that the workstations are factory-built modular units. Whether you need more space or change your operation's layout, you are not locked into your original plan. The units can be pre-wired with electrical or supplied with a blank quad and data box for easy wiring. As your needs change, so can your design! These dynamic counters, shelving, and accessories provide unlimited transitions, allowing you to enhance and equip your workflow for unsurpassed utility and appearance at an affordable price and quick turnaround time.

## Features & Options

**Each Quick Kit Workstation is Available in Three Ready-to-Ship Sizes**

- **Checkout Workstation**
  - 48"W x 32¾"D x 34"H
  - 36"W x 32¾"D x 34"H
  - 24"W x 32¾"D x 34"H

### ■ Pony Shelf Workstation

- 48"W x 25½"D x 40"H x 54"H
- 36"W x 25½"D x 40"H x 54"H
