Company Background

Cardinal Health is a distributor of pharmaceuticals, a global manufacturer and distributor of medical and laboratory products, and a provider of performance and data solutions for healthcare facilities. With more than 50 years in business, operations in more than 30 countries and approximately 46,500 employees globally, Cardinal Health is essential to care.

Product Overview

Cardinal Health Medical Benefit Billing enables pharmacies to bill and track their medical benefit claims in real time. With multiple tiers to fit every pharmacy's need, save time and improve patient care with this innovative solution to diversify revenue streams.

Features & Options

- **Gain visibility** into all applicable medical claims, including missing secondary claims and pre-submission edits.
- **Save time** from manual medical billing processes with:
 - Automated rental and secondary claim billing.
 - A dedicated billing support team.
 - Queues with quick actions (e.g. incomplete, rejected, secondary, refill, and hold).
- **Flexibility** to bill through your pharmacy management system or directly through the online portal.
- **Real-time eligibility** verification which includes:
 - Patient coverage.
 - Patient deductible balance.

Product Specifications

Cardinal Health Pharmaceutical Distribution customers; For Medicare Part B, PTAN is required. Pharmacist NPI is required for clinical service billing.

Testimonials

“Rechelle has been an integral part of helping us manage our medical Part B billing. She made things easier to understand and helped us fix our rejected claims. She makes the system work seamlessly and is very knowledgeable in all things billing. Everyone needs a Rechelle.”

— Josie Phillips-Ross, PharmD, Owner, Phillips Family Pharmacy

“Cardinal Health Medical Benefit Billing has saved a tremendous amount of time, the platform is very user-friendly and ultimately increased our percent of claims paid.”

— Chris L., Coborns
