

SUBJECT MATTER EXPERT SHOWCASE

RXinsider profiles pharmacy operations **Subject Matter Experts (SMEs)** within the Pharmacy500 Marketplace to help industry professionals identify and connect with experts across a multitude of pharmacy operations subjects.

SME QUALIFYING GUIDELINES (*PREFERRED*)

A **minimum of 10 years** of experience in your area of expertise.
(See page 2 for the list of subjects/categories.)

Your current role must primarily focus on product management, education, research, quality control, regulatory, or training.

THE SME RECEIVES:

- A profile in the SME Showcase section of RXinsider's Pharmacy500 Marketplace:
 - Headshot
 - Bio (75-125 words)
 - A link to your LinkedIn profile
 - A link to your historic blogs hosted on RXinsider
- Two blog posts per year with RXinsider.
- A dedicated BUZZ profile page to host all published blogs.

BENEFITS:

- There is no cost to participate.
- Support, educate, and influence pharmacists and industry professionals.
- Connect and network with professionals in your area of expertise.
- Build notoriety and exposure for yourself and your company or institution.

WHAT WE ASK OF THE SME:

- A 75-125 word bio that is different from LinkedIn and with a focus on your area of expertise.
- Author a 500+ word, unbiased blog every 6 months in your area of expertise for publication in RXinsider's Market BUZZ and potentially Market Reports.
- Potentially participate on RXinsider's review board for relevant RXinsider Market Reports and Pharmacy500 Academy training modules.

NEXT STEPS:

Complete the following [form](#). After review, an RXinsider representative will contact you.
